

## **ACKNOWLEDGEMENT**

I am overwhelmed in all humbleness and gratefulness to acknowledge my depth to all those who have helped me to put these ideas, well above the level of simplicity and into something concrete.

I would like to express my special thanks of gratitude to my teacher **Prof. Nita Patil** as well as our Principal **Dr.Devidas Golhar** and our HOD **Dr.Sandip Anpat**

who gave me the opportunity to do this wonderful project on the topic "**COVID-19 Tracker**", which also helped me in doing a lot of Research and I came to know about so many new things.

I am really thankful to them.

Any attempt at any level can 't be satisfactorily completed without the support and guidance of my friends Aniruddha Joshi, Shivam Mahajan.

also, a special thanks to Prof. **Geeta Patil** who helped me a lot in gathering different information, collecting data and guiding me from time to time in making this project, despite of their busy schedules, they gave me different ideas in making this project unique.

For all these efforts I am really grateful. Thank You
